HAPPY DUSSEHRA

Let good systems win.

Ravana had 10 heads. An interior business has 10 everyday headaches. Time to burn them.

1. ~~Missed lead follow-ups~~
2. ~~Approvals lost on WhatsApp~~
3. ~~5 calls for 1 site update~~
4. ~~Quote version 7_final_FINAL~~
5. ~~BOQs that don't match~~
6. ~~Late purchase orders~~
7. ~~Snag lists on paper~~
8. ~~Payments nobody chased~~
9. ~~Handovers that drag on~~
10. ~~Forgotten service calls~~

Panzo is live. One place for leads, quotes, sites and payments.

Wishing you a victorious year ahead.

Panzo

Live today · thepanzo.com

Meet Panzo.

One connected platform for interior and fit-out firms.

FOR FIRMS IN

India · UAE · Singapore

Panzo

Swipe →

Your firm shouldn't run on 40 WhatsApp groups.

Leads	in a notebook and three phones
Quotes	Quote_v7_FINAL in someone's email
Site	updates lost in a group chat
Payments	chased by phone, from memory

From enquiry to service.

1. Leads & deals
2. Quotes & BOQs
3. Procurement
4. Site work
5. Finance
6. Handover
7. Service

One record of the project, from the first call to after handover.

Studio on the web.
The app on site.

Office

Leads, quotes, purchase, finance and reports in one web workspace.

Site

iPhone and Android: site reports, snags, photos and tasks, even without signal.

Clients

Share links to follow the project, no login needed.

One record

A site report filed on the phone is on the office screen straight away.

Your currency.
Your tax rules.

INR	India, with GST
AED	United Arab Emirates, with VAT
SGD	Singapore, with GST

Each company works in one base currency with its country's tax set-up.

We're starting with a small group of firms.

Direct	You talk to the people who built it
Your say	Your workflow shapes what we build next
Hands-on	We set it up on your real projects
Your data	Export everything, any time. No lock-in.

Become a founding partner.

See Panzo on your own projects. A short demo, then we decide together if it fits.
